TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Antrim, in the County of Hillsborough, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Town, on the 13th day of March, 1962, at one o'clock in the afternoon to act on the following subjects:

The Polls will be open at one o'clock in the afternoon and close at 7:00 o'clock in the afternoon.

The articles in the warrant will be taken up at 7:00 o'clock in the afternoon.

1. To choose all necessary Town Officers, Agents and Trustees for the ensuing year.

2. To hear the reports of the Auditors on the Town Officers' accounts, and act thereon..

3. To see if the Town will vote to authorize and empower its Selectmen to borrow such sums as may be necessary in anticipation of taxes.

4. To see if the Town will raise and appropriate the sum of \$11,000.00 for Summer Maintenance of Roads and Bridges, including surface treatment and maintenance of tar roads, for the ensuing year or take any other action thereon.

5. To see if the Town will raise and appropriate \$8,000.00 for Winter Maintenance of Roads and Bridges for the ensuing year or take any other action thereon.

6. To see if the Town will vote to raise and appropriate the sum of \$721.65 in order to obtain from the State Highway department the sum of \$4,810.98 to be used for Town Road Aid or take any other action thereon.

7. To see if the Town will vote to raise and appropriate the sum of \$336.00 (1/100th of 1% of the valuation of the Town) to the Monadnock Region Association of Southwestern New Hampshire for issuance and distribu-

tion of printed matter, newspaper and magazine advertising, and by other means calling attention to the resources and natural advantages of the Town, in cooperation with the other thirty-seven towns of the Monadnock Region. Or take any other action thereon. —Monadnock Region Association.

8. To see if the Town will vote to raise and appropriate the sum of \$500.00 to provide suitable care and maintenance of Public Cemeteries within its confines, which are not otherwise provided for, as required by chapter 68 of the revised laws or take any other action thereon.

9. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for street lighting for the ensuing year or take any other action thereon.

10. To see if the Town will vote to raise and appropriate the sum of \$200.00 to assist the Myers-Prescott Post No. 50 American Legion and Ephraim Weston Post No. 87 G.A.R., in properly observing Memorial Day or take any other action thereon.

11. To see if the Town will vote to raise and appropriate the sum of \$900.00 for Parks and Playgrounds, including salary of a Life Guard for the Public Beach at Gregg Lake or take any other action thereon.

12. To see if the Town will vote to raise and appropriate the sum of \$1,200.00 to prepare and tar the road from below Margaret Clark's to the foot of the hill beyond Craig's or take any other action thereon.—Clark A. Craig.

13. To see if the Town will raise and appropriate the sum of \$1,500.00 to build and complete the Black Top of road from the Three Corners by Kenneth Grants to Route 202, or take any other action thereon.—Fred L. Proctor.

14. To see if the Town will vote to authorize the Selectmen to appoint a committee of three to work with the Selectmen to secure land for a town dump. Preferably in a new location and report at the next annual meeting.—E. H. Edwards.

15. To see if the Town will vote to authorize the Selectmen to appoint a committee of three, to study the possibilities for constructing a sewage system for Antrim, and report at the next annual meeting.—E. H. Edwards.

16. To see if the Town will raise and appropriate a sum of money not to exceed \$400.00 to purchase and in-

stall a heating system in the North Branch Fire Station, purchase and installation to be on a sealed bid basis, or take any other action thereon.—Fire Commissioners.

17. To see if the Town will authorize the fire commissioners to sell the 1926 Reo Fire Truck, or take any other action thereon.—Fire Commissioners.

18. To see if the Town will vote to accept, subject to the approval of the Fire Commissioners, as part of the regular Fire Department equipment a 1950 Ford Truck 98Rt254962 with a 600-gallon water storage tank now owned by Co. No. 2, to be used as an auxiliary tanker to supplement the present mobile capacity of the Fire Department. This equipment to be in excellent condition and to conform to present State of New Hampshire Laws and Regulations, or take any other action thereon.—Fire Department, Co. No. 2.

REPORT OF THE TRUSTEES OF THE JAMES A. TUTTLE LIBRARY

The trustees report a circulation of 11,674 volumes during the year. 297 books have been purchased or given to the Library in 1961. Five visits of the Bookmobile and special orders from the State Library have further increased the number of books available for circulation.

The Trustees wish to thank the following for gifts of books: Mrs. David P. Bassett, Mr. Frank W. Buxton, Mr. Robert A. Caughey, Mr. Ellerton H. Edwards, Mr. Harold M. Fleming, Mrs. Andrew W. Lane, Miss Shirley Lane, Dr. Moses H. Lurie, Mrs. John F. McCabe, Mrs. Ernest McClure, Mr. and Mrs. James McDowell, Miss Ethel Muzzey, Mrs. Frank E. Nicklaus, Dr. Judith Pratt, Mrs. Henry B. Pratt, Miss Edna Ryder, Mr. and Mrs. Archie M. Swett, Mr. Chester N. Woodward.

Other notable gifts to the Library include a copy of the rare Rev. John Milton Whiton's History of Antrim published in 1852 and given by Mr. Carl H. Robinson, a gift of money for the purchase of a book of poems in memory of Mrs. Ethel Roeder, and a beautiful tall clock, placed in Library Hall, a gift from Miss Mabel Wilson and the late Alexander Wilson.

The only major repair on the building was to strengthen the steps at the front entrance.

The Library was made attractive throughout the year by the loan of pictures painted by local artists and by two exhibits of pastels and watercolors done by Junior and Senior High School students.

Book Week and National Library Week were celebrated by a Story Hour, appropriate posters, displays of new books at the Library for all age groups, a visit by the Librarian to the elementary school and a trip to the Library by the 6th Grade to receive instruction on the use of the Library.

The summer activities included two Story Hours for pre-school children and the first and second grades conducted by Mrs. Martin Nichols, and a Reading Program in which thirty-two children from the elementary school read a total of four hundred books.

The Librarian and the Trustees hope that you will make the best use of your Library and welcome your co-operation in making it a more helpful institution in your

community. Consult with the Librarian if you need books on Special subjects and they will be available through loan from the State Library.

FOREST FIRE WARDEN'S APPEAL

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook — yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. Ninety-eight percent of our forest fires result from human carelessness — our carelessness. This, we — you — and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations — hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you —

1. Follow the warden's directions.
2. Secure the required burning permit.
3. Keep your fires under control.
4. Completely extinguish your fires before leaving them.
5. See that your children are properly cautioned.

Everyone will benefit by it.

ANNUAL REPORT OF CO. NO. 2 TO FIRE COMMISSIONERS

No fires of a major nature have been recorded for North Branch and vicinity in the past twelve months. There was a 50% reduction of all alarms over last year with only five alarms being recorded for North Branch, all of them being of a more or less minor nature, consisting of a chimney fire, one brush fire and a car explosion on Route 9. Mutual Aid was given to the Town of Stoddard when a Town dump fire threatened to spread to surrounding woods. There was a still alarm for an overheated parlor stove and Co. 2 assisted Co. 1 at the Edes and Greenley fires.

Water storages outside the Precinct have not been improved in the past twelve months.

With real estate values increasing every year, it seems quite proper to also better protect the increasing tax revenues outside the Precinct limits. The dry hydrant in North Branch has proven itself beyond question on several occasions. More of such, or similar installations are in order.

The Fire Department now has a project underway, which if successful, will add 600 gallons of water to the mobile capacity of the Fire Department. A used oil tank which was given to the Department by W. K. Flood will be installed on a truck chassis to make an auxiliary supply tanker to supplement the present capacity of the two tankers now in service.

The sum of \$114.75 representing the proceeds of the Annual Christmas Party has been earmarked as part expenditure for the above project.

Anyone interested to assist in this worthwhile project manually or otherwise is invited to contact Chief Sudsbury or Capt. W. Elliott of Co. 2.

Co. 2 held twelve meetings and five practice drills with good attendance during the past twelve months.

All members of the Fire Department would like to extend their thanks to the townspeople in keeping fire losses to a minimum for 1961.

Respectfully submitted,
Adolf J. Baer

Assistant Chief

REPORT OF THE ANTRIM PLANNING BOARD

The Antrim Planning Board has held regular meetings on the third Thursday of each month during the past year with few exceptions.

At our meetings we have discussed at some length subjects concerning the general welfare of the town.

In June we called a meeting of representatives of every organization in the town and at that meeting initiated the forming of the Antrim Improvement Association which is now active under the supervision of Mr. Ralph Little, a member of the Planning Board. It consists of thirty-eight members divided into six committees. These committees have the following objectives:

1. To attract people to live in Antrim.
2. To attract desirable new industries and to ascertain what can be done to help our present industries.
3. To improve relations with non-resident property owners.
4. Scenic improvement.
5. Publicity.
6. Public events.

The following objectives have already been accomplished by this association:

1. In Peterborough and Hancock and at the junction of Routes 9 and 31, there have been placed road signs indicating Antrim where no signs were before. There are seven of these signs in Peterborough and Hancock and two at the intersection of 9 and 31 at North Branch.
2. Three catch basins on Main Street have been raised to the proper level and we have been assured that the State Highway Department will remove the tree stumps to the right of the First National Store.
3. Letters have been sent to all non-resident property owners (approximately three hundred) asking them for suggestions toward improving the town.

This group is now working on the following objectives:

1. Three "Welcome to Antrim" signs.
2. A new bulletin board at the Town Hall.
3. A pamphlet listing all types of business services for the convenience of new residents and summer people.
4. A native fruit and vegetable stand.

5. A car wash service.
6. Investigating the possibilities of attracting desirable new industry.
7. Flower gardens at the junction of Main and Concord Streets and on the slope opposite Goodell Company.
8. Studying plans to attract new residents to the town and,
9. Contemplating further scenic improvement.

The planning Board has also discussed water extension policies and has had as our guests the Precinct Commissioners.

We have assisted the Selectmen in making up the Town Budget.

We have made preliminary studies of zoning.

The present planning board members are:

Byron G. Butterfield, Chairman

Marion Grant, Secretary

Howard Humphrey

John Hubbard

Eleanor Lane

Ralph Little

Raymond Waller, Representing the Selectmen

PRECINCT COMMISSIONERS REPORT

The Precinct is now using water at the rate of better than a million gallons per week, an increase of about 20% over a ten year period. We should be thankful that Antrim has an excellent water supply and again we point out that water is the most important and yet our cheapest utility, the rates remaining unchanged for 69 years.

The Campbell Pond area has been further improved over the year, the following projects having been completed.

1. The boundaries have been surveyed and marked.
2. 2,000 pine seedlings were planted on the land acquired from Caroline White.
3. A culvert was installed to provide passage over the pond outlet.

We feel that the Pond and the water distribution system are in good condition. We have added 400 feet of 6" cast iron pipe and a hydrant from the head of Summer St. to provide water and fire protection for the new High School.

Your Commissioners make the following recommendations:

1. That we raise the sum of \$2,000 by taxation.
2. That we collect 75% of the established water rates.

SUPERINTENDENT'S REPORT

To The School Board and Citizens of Antrim:

It is a pleasure to submit my eighth annual report for your consideration.

As you well know, the problem of housing grades 7-12 for the Antrim School District was resolved at the 1961 District Meeting. We are now in the process of constructing a new school plant which we plan to occupy no later than September 1962. This new plant provides us with facilities and equipment adequate to meet the present secondary standards for a comprehensive high school and the proposed standards which are scheduled to become effective in September 1963.

The per pupil cost, using figures that are the basis for tuition charges (which exclude transportation and capital outlay), is \$555.51 as compared with the state average of \$457.00. This cost will increase with the beginning of the 1962-63 school year when the new plant is occupied for the following reasons: (1) the cost of maintaining the school plant will increase sharply; (2) a larger teaching staff and annual increase in teachers' salaries; (3) additional facilities to be maintained; (4) increased amount of equipment to be purchased and maintained each year, and (5) adjustment to be made in staff, program and other factors necessary to qualify as a comprehensive high school if the proposed secondary standards are adopted.

One thing which will tend to curtail our rising per pupil cost, but will tend to increase the overall budget, is an increased number of pupils served. Following is our pupil projection as of October 1, 1961:

ANTRIM SCHOOL DISTRICT ENROLLMENT PROJECTION, OCTOBER 1, 1961

When compared with that as printed in the 1960 Town Report, it indicates that our student population will continue to grow. For example: last years' projection indicated that we should register 259 pupils in September 1961—we have 279.

Our new high school plant can stand this growth for awhile but it may be necessary to do something at the elementary building sooner than we thought a few years back. Some of our primary classes are larger than they should be for an effective and efficient learning situation, and in some instances very close to a situation where two divisions should be considered. I point this out now in order that any request for additional space will not come as a complete surprise to you should our present rate of growth continue.

Pupil transportation is, and will continue to be, a problem. Increased enrollment has a tendency to increase the number of pupils requiring transportation. It has been necessary to change the route of one bus and to make a double run with the other. Over the years it has proven more economical for Antrim to tie its school transportation to that of Hillsboro-Deering. Although it will be more expensive, the sooner each community is able to operate its school bus lines independently of the other, the more effectively both the transportation and schools will operate.

Two pieces of legislation passed by the last general court are of interest to Antrim: (1) the Foster Child law was repealed and it is no longer necessary to pay tuition on these children, thus saving the district \$1600 which was our appropriation last year. (2) a permissive law relative to retarded children was passed and your Board felt obligated to take advantage of it by paying tuition for these children in the Peterborough special class. For this purpose, we have budgeted \$837 for 1962-63. The Board should be commended for assuming this responsibility because these children are as deserving of an education as any other child, but our public schools are not able to offer this type of education other than in a special class and Antrim does not have enough pupils to do this. We appreciate an opportunity to be able to educate these pupils in the Peterborough school.

Again, I believe we have been fortunate in our teacher recruiting. Mr. Henry Eagar replaced Miss Elaine Olsen, who accepted employment in Concord. Mr. Lloyd Swanburg replaced Miss Ruth Harris, who accepted a full math teaching position at Hillsboro-Deering. Mr. Donald Locke

replaced Mr. Bruce Acker, who accepted a position at Coe-Brown Academy.

The noon lunch program, under the able direction of Mrs. Velma Hall, continues to grow. It has been necessary to add another part-time worker to the staff. Food contributions to the program from the federal government have been extremely helpful.

The National Defense Education Act has been continued by Congress for three more years. Under this act we have not only received 50% reimbursement for scientific equipment purchased but also approval for 50% of the cost of the laboratory benches and chairs for the new building.

Antrim is growing! With growth come inevitable problems. We, whose main business is associated with the operation of schools, find it necessary to re-evaluate our thinking in many areas to cope with this growth and I am sure that many others in the community are doing the same thing. We hope that you will feel free to share these thoughts with us because progress is faster through cooperative effort.

It has been a pleasure to work with the School Board, Building Committee, teachers, pupils, and citizens of Antrim, and I appreciate the cooperation given me.

Respectfully submitted,

Norman R. Hartfiel

Superintendent of Schools
